

# Hilton Mauritius Resort & Spa

*"Prestige with a touch of magic"*

The Hilton Mauritius Resort & Spa is situated in a unique environment on the sunniest coast of the island, well protected from the winds by a mountain range and the lagoon. The resort stands on one of the island's most beautiful beaches, Flic en Flac, which is largely responsible for Mauritius earning its reputation as the pearl of the Indian Ocean.

The hotel is built in contemporary oriental style and blends well into the landscape. It offers a refined setting and a purity of line, contrasting with many items of richly decorative art to create a warm and exquisite atmosphere.

This delicate atmosphere can also be found in the rooms, laid out in a series of low buildings and facing out to the sea and the setting sun. The rooms enjoy all the facilities expected from a five star hotel plus a number of special privileges such as butler or turndown service etc.

Staying at the Hilton means to enter into a luxurious lush paradise and discover an enchanted side of the island, a world dedicated to dream and reflection.

The swimming pool is designed as a continuation of the lagoon and equipped with underwater loudspeakers, which diffuse dolphin songs or classical music for the swimmers. It is beautifully landscaped with a series of rocks and waterfalls. The central islet houses a Jacuzzi.

The pool borders on an exceptionally nice and safe lagoon. A twenty-metre long jetty allows hotel guests access to nautical activities.

The gastronomy rule at the Hilton Mauritius Resort & Spa is to offer fresh local produce and authentic imported products. Specific products, such as supplies for the legendary Thai restaurant, come straight from their country of origin.

The Spa Mauritius, one of the finest in the Indian Ocean, is arranged in two levels, maintaining an atmosphere of Zen.

Multiple sensations caused by an air fragrant with the perfumes of essential oils, the beauty of the surroundings and the dazzling smile of the receptionist envelope the guest. The serene tranquillity of the place creates a feeling of wellbeing before the treatment even has begun.

Afterwards, you may relax even further in the magnificent flower filled patio beside the Zen garden. Honeymooners may enjoy their treatments together in the "Allamanda", the open-air VIP sala-Jacuzzi.

The Ti Poussin Kids' Club for children from 4 to 12 is run by a team of professionals. The entertainment team provides a variety of activities for any type of weather.
