Exclusive Private Villas "The wonderful sensation of being at home"

The Belle Mare Plage has successfully accomplished the harmonious balance between a resort and a double Championship Golf Course.

Constance championship golf courses are of international standard. Each 18-hole golf course is a real challenge for professional and amateur golfers alike, recognized by the PGA and various other federations, these courses were conceived to annually host a number of international competitions including the Mauritius Open.

"The Legend", the first of its kind in Mauritius, designed by South African champion, Hugh Baiocchi, is the crowning achievement of the Resort, located along one of the most superb beaches on the island. Each of the 18 holes has distinctive characteristics. Superb fairways are laid in the heart of an indigenous forest, culminating in the brand new greens, built to USGA specifications. In our constant effort to provide the perfect golfing location, all 18 greens have been rebuilt using Tif Dwarf grasses to ensure a perfect surface.
