## Le Preskil Beach Resort

Where nature meets culture and fun...

Only 15 minutes from the international airport and near the historical village of Mahebourg Le Preskil Beach Resort can be found on a private peninsula off the Southeast coast of Mauritius.

The resort offers more than a beautiful view of the lagoon: being close to the Blue Bay Marine Park and the majestic mountain range of the east as well as some typical Creole style villages, the area offers a real Mauritian experience.

Le Preskil Beach Resort, of typical Creole architecture, is truly a haven of peace set in a luxuriant tropical garden overlooking three idyllic white sandy beaches. The resort borders a lagoon, which offers an exceptional stretch of unique crystal clear blue water, leading to the astonishing marine park of Blue bay and offering panoramic view over l'Ile aux Aigrettes.

The Lagoon rooms are spread out harmoniously into one-storey building lots across the peninsula, whereas the Prestige rooms and Deluxe Penthouse are located in colonial style cottages offering breathtaking view over the lagoon, the Lion Mountain and the outer islands.

If some of restaurants and bars are located on the beach provide a natural decoration, the others comprises various settings, each offering breakfast and dinner in a specific thematic one. You can choose to discover the savour of the Mauritian cuisine from the Spices Restaurant or else a sunshine cuisine from Tapas Grill or eat meat from South Africa at the Charka- Steak House. You can enjoy exotic cocktails and drinks at the Beach bar and Indigo Bar.

The newly built convention centre with 4 conference and 1 executive board room hosts seminars and meetings for up to 600 participants and is a very attractive place for international conferences due to its proximity to the airport.

The Ylang Spa welcomes you to the pleasures of body care, massages and relaxation in one of the beautifully designed parlours in a heaven of peace and tranquillity.
