

Le Telfair Golf and Spa Resort

"Elegance as a lifestyle"

Located in the South, Le Telfair Resort and Spa has been lovingly developed on the site of one of Mauritius' best kept secrets, the former sugar estate of Bel Ombre. Developed on 15 hectares of this estate, the Telfair nestles between the turquoise waters of the Indian Ocean and the green slopes of a new golf course at the foot of a mountain. The nearby waters of the Citronniers River contribute considerably to its charm.

The hotel is situated just 45 minutes from the airport and 1 hour from the capital Port Louis. Its guests are accommodated in villas of 6 or 8 rooms, created in colonial style and the architecture of a past century. Ideally located between the sea and the green mountain, each room offers tranquillity in abundance. Their furniture is inspired by the French colonial period with dark timber floors and light, flowery fabrics. Each room or suite features a lounge area, a ceiling fan and individual air-conditioning. The spacious bathrooms are charmingly furnished with amenities reminding of colonial times. Floor to ceiling French windows open wide onto the veranda. In the Deluxe Rooms, a wide four poster bed creates a fully romantic ambience which is enhanced by light linen drapery flowing from the ceiling. The Junior Suites offer a large free standing colonial style bathtub, a lounge and a larger veranda. In the Senior Suite, a spacious bathroom adjoins the romantic bedroom. The private dining room and lounge area with guest bathroom faces onto a spacious terrace. The Ocean Suite, finally, is significantly larger than the Senior Suite with free standing bathtub, own garden and external shower.

For the guest's ultimate relaxation, a butler service is available 24 hours a day. The restaurants of Le Telfair offer a whole spectrum of gastronomy, with a choice of "show-time kitchen" at the Main Restaurant, fish with an Asian touch at the Seafood Restaurant or a thoroughly colonial experience at the historical Chateau de Bel Ombre itself. The main bar offers fine wines and spirits.

The hotel is surrounded by a wonderful tropical garden featuring a variety of exotic plants which are grown in the sugar estates own nursery. The serenity of this enchanted garden is enhanced by small pathways and romantic bridges spanning sparkling waters, home of colourful fish and water lilies. Relaxing highlights of the hotel are definitely the beautifully designed pool area and the white sandy beach, perfect spots to enjoy the tropical sunsets.

The hotel is set in wonderful tropical gardens where one can discover a variety of endemic plants that are growing in the sugar estates nursery. The romantic serenity of the place is enhanced by small pathways, stone bridges and enchanting fountains home of colourful tropical fish and water lilies. Another highlight of the hotel as far as relaxation goes is definitely the beautiful designed pool area or the tropical beach, perfect for romantic sunset.

A very wide range of sports and leisure facilities has been designed for the hotel guests. They may choose from golf on an 18 holes championship golf course designed by Matkovitch and Hayes, a range of water sports like windsurfing and diving or land sports like tennis and aerobics. For nature lovers, the huge nature reserve of Bel Ombre provides a unique environment for jogging, strolling or excursions by foot, on horse, mountain bike or quad bike.
