

Silver Beach Hotel

"Where they care about your comfort"

If you head south from the Airport, turn left at Mahebourg and then drive up the East coast for approximately 45 minutes, you'll arrive at the Silver Beach Hotel.

Not looking spectacular from the outside, you will be positively surprised by a colourful tropical garden and a great sea view after passing the reception area and the small souvenir shop. 28 bungalows are nestled between trees and bushes. If you go on, you will walk right into the main building which hosts 32 sea-facing standard rooms. All standard rooms offer terrace or balcony with sea-view. The spacious bungalows accommodate families with up to two children and offer garden views.

500 meters of exclusive beach unfold before a sea of turquoise water and a choice of free water sports facilities. The trade wind blowing over the east coast most of the year contributes to a pleasant climate in summer but rather cool nights during wintertime.

The hotel facilities consist of a large swimming pool with a nearby bar, a restaurant serving local and European cuisine, and offering live music. The Silver Beach Hotel provides accommodations for any type vacation. No matter if you're a newlywed couple, a family with children or a group of travellers, the hotel will suit your needs well.
