

Maritim Hotel Mauritius

"The hotel with the extra plus"

The Maritim Hotel is a luxurious 4-star plus resort of a very high standard and one of the leading hotels of Mauritius. Renovated in the year 2000, this perfect blend of tropical and colonial architecture overlooks Turtle Bay and the historical "Balaclava". The remnants of this 18th century estate provide an elegant background for a sophisticated and yet totally relaxing vacation.

The Maritim Hotel consists of 221 sea-facing rooms. Its 2 wings form the main building. Three restaurants, two bars and a pool lounge overlooking the twin pools provide a luxurious yet comfortable background. Combined with the genuine friendliness of the ever smiling Mauritian staff, a stay at the Maritim will certainly be a memorable one.

The Maritim Hotel Mauritius is well known for its capacity of hosting international conferences. It is therefore often booked by international organizations as well as the local government. This comes to reflect in the professional attitude of the staff, as they are used to provide high quality service, from which anyone who stays at the Maritim will benefit.

The location of the hotel on the northwest coast, the sunniest region of Mauritius offers you a multiple choice of routes around the Island; the distance to Port Louis is 12 km, to Grand Bay 12 km, to Curepipe 32 km, and to Quatre Bornes 26 km.

You may certainly just stay and enjoy the hotel facilities like the golf course, the beach or any of the many other free activities. Whatever your desires for your perfect holiday will be: a wedding ceremony, a honeymoon, family rooms or leisure activities, the Maritim Hotel can certainly accommodate you.
